

BE PART OF THE **BEST**

*Put Your
Career on
the Fast
Track
with Us!*

We are Morgal Machine Tool, Ohio Stamping and Machine (OSMI), and Rose City Manufacturing. Thanks to our reputation for quality, dependability and integrity, companies worldwide, including many Fortune

500 corporations, turn to us for precision stampings, assemblies and value added services. To maintain our standards for manufacturing excellence, it is critical that we attract and retain hard-

working, motivated individuals with a commitment to be the best. Morgal, OSMI and Rose City often have career opportunities available in the following areas:

- Welding
- Assembly
- Tool & Die
- Quality Control
- Press Operation
- Design Service and Support
- Inventory Management
- Facility Maintenance
- Office Support Positions
- Shipping and Receiving
- Material Handling

A Family of Companies

The Morgal, OSMI and Rose City facilities are within 1/2 mile of each other resulting in a close knit, family-type atmosphere. The close proximity provides manufacturing support and allows us to combine resources. Often times, customers depend on all three companies to complete a job. For example, OSMI first performs the blanking operation, then Morgal forms the part and Rose City completes the assembly as needed.

Peace of Mind on the Job

At each of our three plants, we pride ourselves on providing a safe, productive work environment to help our employees achieve professional, as well as personal goals. We offer the following:

Capabilities

- Clean, spacious work environment
- Stable employment
- Opportunities for growth
- Attendance incentives
- Tuition reimbursement
- Quarterly cash bonuses
- Productivity awards
- 401(k)/profit sharing
- Paid training

Morgal, Rose City and OSMI feature highly trained technicians utilizing the most advanced equipment to produce superior quality products. To meet the varying needs of our customers, we offer a variety of capabilities, including robotic welding, stamping, tool & die capabilities and parts assembly.
